On October 19, 2017 was held a Vernissage in PARIS to celebrate the Opening of a New Boutique displaying the Wonderful Works of this incredible Jeweler-Artist Ilgiz Fazulzyanov. He based his motivation on fulfulling a Dream to Conquer the City of Light. It was Strategic as much as Emotional. In a way, he was struggling between Cities such as London, Geneva, Monte-Carlo, Tokyo, where he was already well known.... And Paris, a City to Conquer and where lots still has to be done. A real Challenge in some ways. "People come to Paris to find Inspiration in Art and I consider myself as an Artist. Its in Paris that my "Mentors" created, its here that were born my Favorite Techniques and Styles", said Ilgiz Fazulzyanov.

In 2016, Museum of the Moscow Kremlin presented an Exhibition of works by Ilgiz Fazulzyanov. “Jewelry inspired by nature. Ilgiz F.“. Proficiency in Complex Production Techniques and the Quality of his Work, many International Experts compare with the Best Works of French Artists of the Art-Nouveau Era. He says that Art taught him to be Very Focused and Attentive to Details, because the World around us is Incredibly Rich and you just have to want to see it. He says also "The Success of Kremlin Exhibition gave me the courage to go further, to see far away. We can't find many Jeweler Art Exhibitions, that's why the Jeweler should have his Own Gallery to Exhibit his Works. As from Now, I have my Gallery and I am Happy".

"In Short Term, I will be participating to the "Russian Diamond Fund Exhibit" held from November 9, 2017 To January 17, 2018. This Exhibit will gather the Works of the Best Russian Jewelers. On a Long Run, I always dreamed to Exhibit in Museums such as "Musée des Arts décoratifs" at The Louvre (Paris), "Victoria and Albert museum" (London), "Metropolitan Museum of Art" (New York). Anyway, New York is the CIty of my Dreams, I devoted Two Works to it. And if I open my Second Gallery, it will be there."
