# IMF Executive Board Completes First Review Under the ECF

#### Approves \$M22.58 Disbursement for Benin

Paris, Washington DC, Zanzibar, 04.12.2017, 17:58 Time

**USPA NEWS** - The Board also approved Benin's request to set program conditionality for 2018, and to modify the end-December 2017 performance criteria. The program approved in April 20017 aims at supporting the country's economic and financial reform program and focuses on raising living standards and preserving macroeconomic stability.

- "¢ Completion of the review enables the disbursement of US22.58 million.
- "¢ Sustained efforts are needed to improve the business environment and foster greater private sector participation in the economy, including removing bottlenecks to private-sector development and leveling the playing field for all investors.

The program approved in April 20017 aims at supporting the country's economic and financial reform program and focuses on raising living standards and preserving macroeconomic stability.

- "¢ Completion of the review enables the disbursement of US22.58 million.
- "¢ Sustained efforts are needed to improve the business environment and foster greater private sector participation in the economy, including removing bottlenecks to private-sector development and leveling the playing field for all investors.

"In the financial sector, accelerating the implementation of the new harmonized regional resolution framework and strengthening the supervisory body for microfinance institutions, as well as addressing the high level of nonperforming loans in the banking sector, are essential to minimize financial sector vulnerabilities. "[]" "Sustained efforts are needed to improve the business environment and foster greater private sector participation in the economy, including removing bottlenecks to private-sector development and leveling the playing field for all investors. Greater efforts are also needed to strengthen governance and transparency. "[]" Source IMF, With Apo
